

"S BSAL" PERFIN Bulletin 268/11; 269/11.

DAVID SCOTT has sent a photocopy of a Bill of Exchange with perfin S BSAL and the identity of Standard Bank of S.A.Ld., Pieter-Maritzburg. I did not make it clear in the original query in Bulletin 268 that this identity was not in question, it was the meaning of the additional 'B' which is occasionally found in the gap between S and B, giving SBBSAL. John Nelson gave the identity of Standard Bank of British South Africa but we have yet to see a proving Bill of Exchange with this earlier name.
